Section *

[dropdown ▾]   Original Article/Case Report/Pictorial or else

Articles must be submitted to one of the journal's sections. *

Submission Requirements

You must read and acknowledge that you've completed the requirements below before proceeding.

☐ The submission has neither been previously published, nor is it before any other journal for consideration.

☐ The manuscript is composed of a SINGLE Microsoft Word file **without author identifiers** (names of authors or any other clue which may disclose identity of authors to peer reviewers). **The TITLE of the manuscript is written at the top of the first page.** The tables and figures are placed at appropriate places WITHIN the text instead of putting them at the end. The text is **SINGLE-SPACED**, single column in Times New Roman fonts, 12-point font size.

☐ The manuscript is on the format given in 'Information to Authors' and the references are in Vancouver style with citation numbers as superscript in the manuscript.

☐ Title page has been prepared in accordance with the specimen given on   website.

☐ Undertaking certificate has been duly signed by all authors and Corresponding Author has been clearly mentioned (sequence of authors will not be changed and authors will neither be added nor deleted once the manuscript is submitted to PJP).

☐ Approval letter of Institutional Review Board (IRB)/Ethical Review Committee (ERC) has been attached.

☐ The word count of the manuscript is not more than 2,500 (Original Article) and 3,500 (Review Article) excluding abstract and references. The word count of abstract is not more than 250. The number of tables and/or figures is not more than 4. The number of references is not more than 25 (Original Article) and 40 (Review Article).

Files to be uploaded in "Upload Submission" section:
1. Article Text (Do not add any details/names of author, co authors in the main manuscript file)
2. Title/Metadata Form (Available at website)
3. Undertaking and Contribution form (Available at website)
4. IRB/ERC approval letter

☐ **IMPORTANT NOTE:** If any of the items in the checklist are found missing/not adhered to, the submission will be **DECLINED** automatically by the system. No claims of refund or delay in process will be entertained under such situation!

Submission Metadata

These specifications are based on the Dublin Core metadata set, an international standard used to describe journal content.

Type

The submission type is usually one of 'image', 'text', or other multimedia types including 'software' or 'interactive'. Please choose the one most relevant for your submission. Examples may be found at http://dublincore.org/documents/2001/04/12/usageguide/generic.shtml#type
